How Does It Work?

From October 19, 2012 through March 31, 2013 authorized Mitsubishi direct accounts can purchase new CP-D70DW printers in specific quantities and receive free media. This offer is only for new purchase orders received during the promotional time period.

How to Qualify:

- Submit one (1) purchase order (PO) to MEVSA during the promotion period listing:
- Ten (10) or more units of CP-D70DWs
- AND ten (10) boxes of CK-D746 media given free for each multiple of ten (10) printers ordered.

The Rules:

- Qualifying purchase orders will list only the qualifying CP-D70DW printers and the free CK-D746 media. Additional items must be listed on a separate purchase order.
- Free media must be ordered on the same purchase order at the same time as the qualifying printers listed as a zero-value line item.
- The total number of boxes of free CK-D746 media listed on the PO must be in multiples of 10 and correspond to a rate of 10 boxes of media for every 10 printers purchased. Residuals remaining under 10 units will not be eligible for the promotion and will not be accumulated for future eligibility.
- MEVSA will NOT accumulate/add multiple PO's to reach the qualifying quantity of 10 printers.
- Units bought at special pricing and or demo pricing DO NOT qualify for this offer and must not be included on the purchase order or in the calculation used to determine the quantity of free CK-D746 media listed on the qualifying PO.
- Promotion is only valid during the dates listed above. Past orders and/or shipments will not be retroactively considered.

REMEMBER:

- Submit your purchase order to Operations@mevsa.com or by Fax 888.242.3598.
- Purchase orders must list qualifying printer products in increments of 10 and multiples thereof.
- Free CK-D746 media must be listed on the PO on a separate line item at zero dollars (\$0.00).
