

TILT HEAD

Arca-Type Quick Release
and Lever-Lock Clamp

3PSHT1QA

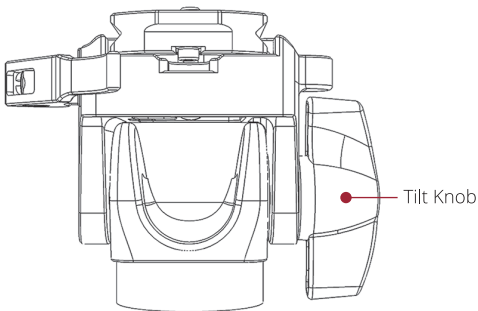

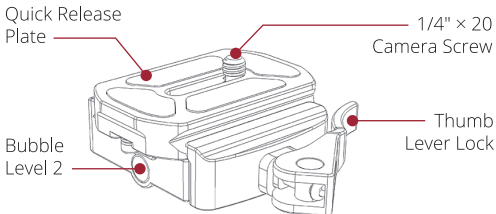

Support the Art of PhotoImaging

The 3POD Tilt Head with Arca-Type Quick Release and Lever-Lock Clamp is the finest camera platform for many monopods, superclamps and grips, as well as tripods, suction-cup bases, and action camera mounts. The built-in Arca-type quick-release system with Thumb Lever locking provides the user with fast mounting and dismounting of their camera. A single locking knob provides easy front-to-rear axis tilt control. The head will support up to 11 lb, certainly suited to support a wide variety of gear.

FEATURES:

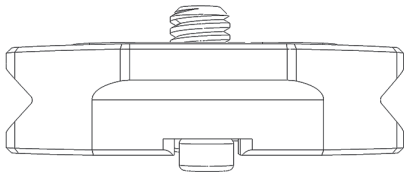

- The most flippin' thumb lock on a QR Arca Plate!
- Customizable Tension Lock.
- Superior Arca Swiss Standard QR System.
- A new Tilt on Life!

INSTRUCTIONS:

Head Mounting

Install by screwing the head clockwise onto the 3/8in mounting thread of the top plate of the target support item, such as a monopod.

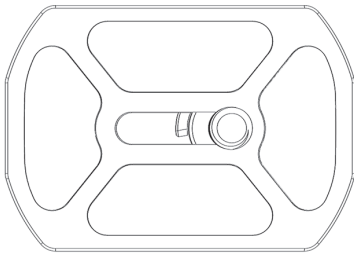

Positioning Adjustments

Horizontal rotation or panning is accomplished by swiveling the monopod on its foot.

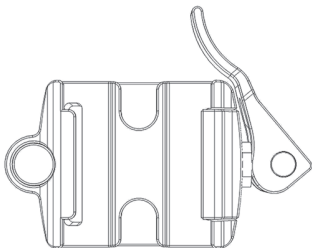

Front to rear angle or tilt adjustments is done by first loosening the Tilt Lock Knob. Hold the support equipment firmly to balance weight of the camera. Position the tilt as desired and tighten the Knob securely.

Quick Release Plate

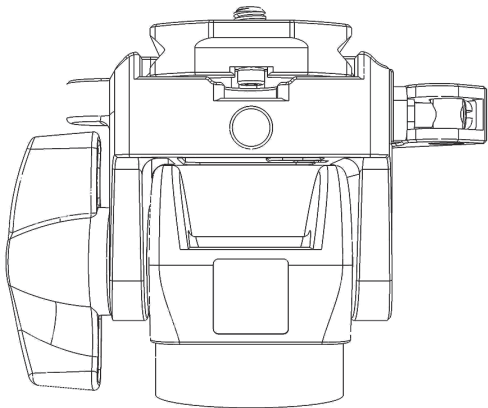

The **3POD Tilt Head** incorporates the Arca Quick Release Plate system with the ease of Thumb Lever locking. Arca is the proven and most widely adopted QR plate exchange. Use the correct Quick Release Plate be used along with the proper mounting screw. Extra QR Plates are recommended to leave attached to each Camera or when rapidly mounting and dismounting gear.

Quick Release Locking Lever

The Thumb Lock Quick Release system offers levels of security for your imaging gear. remove the Quick Release Plate by a flip of the Plate Locking Lever. The Quick Release Plate jaws will open. Remove the QR plate. Reconnect the Quick Release Plate, insert the angled part of the Plate into the groove on the opposite side of the Locking Levers and press down flat. Flip the Thumb Lock toward the head plate to grasp the QR Plate firmly between the jaw clamp sides.

Bubble Levels Galore!

Warnings

- Do not exceed the maximum specified load capacity of 11lb.
- Always ensure that the Tilthead locks before using any equipment.
- Always clean and dry any Tilthead after it has been exposed to wet, dusty, sandy or salty conditions. 3POD supports are never recommended for use in salt water.
- Avoid leaving any Tripod or Monopod unattended in areas where people could trip over the gear and get hurt.
- Remove camera, lens, and all imaging devices from any Tripod or Monopod when transporting.
- For your safety, don't let your 3POD item come in contact with any electrical power source.

FIVE YEAR 3POD LIMITED WARRANTY

3POD warrants to the original purchaser that your 3POD product shall be free from defects in material and workmanship for five (5) years from the date of purchase (or delivery as may be required in certain jurisdictions) or thirty (30) days after replacement, whichever comes later.

3POD's entire liability and your exclusive remedy for any breach of warranty shall be, at 3POD's option, to repair or replace the hardware, provided that the hardware is returned to the point of purchase or such other place as 3POD may direct with a copy of the sales receipt or dated itemized receipt. 3POD may, at its option, replace your product, offer to provide a functionally equivalent product, or repair any product with new, refurbished, or used parts as long as such elements are in compliance with the product's technical specifications. Any replacement hardware product will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer, or for any additional period that may be applicable in your jurisdiction. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover problems or damage resulting from accident, abuse, misapplication, or any unauthorized repair, modification or disassembly, improper operation or maintenance, normal wear and tear, or usage not per product instructions or connection to an unacceptable voltage supply, use of consumables, such as replacement batteries, not supplied by 3POD, except where such restriction is prohibited by applicable law.

Except where prohibited by applicable law, this warranty is non-transferable. Moreover, this warranty is limited to the original purchaser and the country where the product was purchased. This warranty gives you specific legal rights, and you may also have other rights, including a more extended warranty duration that may vary under local laws.

To start a warranty claim, contact the 3POD Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to 3POD, along with the RMA number and proof of purchase.
