■ Welcome To Filmcity!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Filmcity family.

By purchasing your Camera Cage Shoulder Rig Kit, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Camera Cage Shoulder Rig Kit, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes,
Filmcity Team

■ Introduction

A shoulder rig becomes invaluable equipment when you want to put the audience into the heart of the action. It lets you move with the subject matter while keeping the camera stable, thus increasing the efficiency of the production.

Accessories

■ Assembling MB-600 Matte Box

- Insert French Flag into Matte Box and tighten the screws. In the same way, insert Side Flags into (big) slots provided and secure with the screws.

NOTE: If the French Flag remains loose even after tightening the knob, then slightly tighten the allen bolt as shown.

- Then attach Knicker on Conversion Ring.

Assembling the Shoulder Kit

- Insert 300mm Female threaded Rods into Camera Base with Quick Release. Tighten bolts with the help of provided allen key to secure them properly.

- Fix the Quick Release of your fluid head to the bottom of Camera Base and tighten bolts with screw driver.

- Now mount it on fluid head and secure properly by tightening the knob.

Mounting Camera

- Loosen Ratchet Knob and remove Quick Release Plate by pressing the Quick Release Pin.

- Fix the quick release plate with camera and tighten bolts using screw driver.

- Now mount camera with Quick Release Plate on the Camera Base and tighten knob properly to secure it.

- Attach both Cage Brackets with rods and tighten the knobs to secure them appropriately.

- Insert 2x200mm female threaded rods into Cage Brackets on the top. Attach Top Handle with 200mm Rods and tighten the knobs to secure it properly.

- Now attach Straight Bracket at the end of Rods and lock it tightly with the help of provided knob.

- Then insert 300mm male threaded rods into the Straight Bracket and tighten knob to properly lock them.

- Attach Shoulder Pad and insert Counterweight into the rods and secure them properly.

- Then attach 150mm male rods towards the front to extend it for mounting other accessories

Attaching Accessories

- Attach Junction Rod Adapters with Front Handle Bracket. Then attach it with rods and secure it properly with the help of allen key.

- Now slide-in 300mm Knurling Rod through the Front Bracket and tighten the knobs to secure properly.

- Insert Clamps for Handle Set into the Rod and screw Handle into the Clamp.

- Finally mount Matte Box to the front of rods, align Knicker with Lens Barrel and tighten its knot.

**YOUR FILMCITY CAMERA CAGE SHOULDER RIG KIT
ALL DRESSED UP AND READY TO GO!**

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product , or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover

the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to **Contact us** immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
