

FP FLASHPOINT

VC26T

Multi Battery Charger

for the VB-26 V1/Zoom Li-ion Battery

FPPVC26T

Thank You for Choosing Flashpoint!

Thank you for purchasing the VC26T Multi Battery Charger for Zoom Li-ion X/V1. This charger can charge three batteries of V1 round head camera flash simultaneously, which offers easy operation, great portability and convenience.

Note:

1. This charger is only suitable to the VB26 battery models of Zoom Li-ion X/V1 series. The damaged caused by violation operations is not within the scope of the warranty.
2. Please read the instruction manual carefully before operation.

⚠ Warning

- Always keep this product dry. Do not use in rain or in damp conditions.
- Do not disassemble. Should repairs become necessary, this product must be sent to an authorized maintenance center.
- Keep out of reach of children.
- The charger will get hot during charging and can be safely used.
- Do not cover the charger and its battery during charging. This product should be placed in cool, dry and ventilated area.
- Please disconnect the power source if any abnormal phenomenon occurs in charger and batteries.

Included Items

1. Charger

2. Power Cable

Names of Part

Usage

1. Insert the VB26 batteries into the charging bases. One, two or three batteries can be applied.

2. Connect it to the power supply to start charging.

3. If inserting three batteries simultaneously, the charger will charge the batteries at the same time and the corresponding charging indicators will light up continuously after charging finished.
4. Charging time: it takes approx. 1.4 hours to make three batteries get fully charged.

Working Environment Temperature	-5°C~40°C		
Dimension	134 × 68 × 27mm		
Net Weight	166g		

One Year Flashpoint Limited Warranty

Flashpoint warrants to the original purchaser that your Flashpoint VC26T Multi Battery Charger shall be free from defects in material and workmanship for the period of one (1) year from the date of purchase (or delivery as may be required in certain jurisdictions), or thirty (30) days after replacement, whichever comes later.

Flashpoint's entire liability and your exclusive remedy for any breach of warranty shall be, at Flashpoint's option, to repair or replace the hardware, provided that the hardware is returned to the point of purchase or such other place as Flashpoint may direct with a copy of the sales receipt or dated itemized receipt. Flashpoint may, at its option, replace your product, offer to provide a functionally equivalent product, or repair any product with new, refurbished or used parts as long as such parts are in compliance with the product's technical specifications. Any replacement hardware product will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer, or for any additional period of time that may be applicable in your jurisdiction. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover problems or damage resulting from accident, abuse, misapplication, or any unauthorized repair, modification or disassembly, improper operation or maintenance, normal wear and tear, or usage not in accordance with product instructions or connection to improper voltage supply, use of consumables, such as replacement batteries, not supplied by Flashpoint, except where such restriction is prohibited by applicable law.

Except where prohibited by applicable law, this warranty is nontransferable and is limited to the original purchaser and the country in which the product was purchased. This warranty gives you specific legal rights, and you may also have other rights, including a longer warranty duration that may vary under local laws.

To start a warranty claim contact the Flashpoint Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Flashpoint, along with the RMA number and proof of purchase.
