S3 ROUND FLASH

S-TYPE BOWENS MOUNT BRACKET

FOR ROUND HEAD FLASHES

(GODOX S3)

Greetings from Glow!

The Glow S3 is a universal, compact mounting bracket designed for both round-head and rectangular flashes. Featuring a built-in **Bowens mount**, adjustable tilt, and non-slip silicone grip, it securely holds your flash and connects to a full range of light modifiers.

One bracket. Unlimited lighting options.

The bracket is attached with two gaskets. Both gaskets are needed when using square flash head, one gasket is needed when using round flash head, while no gasket is needed when using Flashpoint mount flash.

1. Compatible square flash head models with two gaskets:
Zoom Li-ion III, Zoom Li-ion II, Zoom Li-ion manual, Zoom AA, Zoom AA II, TT520II, TT520III, eVOLV 200 Pro (square flash head), eVOLV 200 Pro II (square flash head), Zoom Li-ion mini, Zoom AA mini, Zoom Li-ion compact V480.
2. Compatible round flash head models with one gasket:
Zoom Li-ion X, Zoom Li-ion X Pro, Zoom Li-ion X100, Xplor 100Pro, eVOLV 200 Pro, eVOLV 200 Pro II.
3. Compatible Flashpoint mount flash models with no gasket:
Xplor 300Pro.
