

J. ROCKETT AUDIO DESIGNS

The ANIMAL OD is back by popular demand. The Animal is an accurate recreation of an overdriven 1968 "Plexi". The ANIMAL OD has the grunt and midrange bark of the old classic rock n roll amps but cleans up extremely well by backing off of your guitar's volume control. The controls are very simple and no matter where they are set they give you a great overdrive sound.

Controls:

- VOLUME- Controls the Overall Output
- GAIN- Controls the overall amount of gain
- BASS - Controls the overall amount of low mid/bass
- TREBLE - Controls the overall brightness/tone

Settings

We suggest you start with all controls at the 12 O'Clock position and then fine tune from there. We personally like the Treble at about 1 O'Clock and the Bass at 11 O'Clock for that classic sound. Gain and volume should be adjusted for your own personal tastes. The controls are interactive and more gain can be achieved by hitting the front of your amp harder with the volume/output of the Animal.

- Bass and Treble EQ controls
- I/O Jacks at the Head of the Pedal
- 9V DC Operation with Standard (- tip and + sleeve)
- Approximately 4" x 2.50" in Size
- Weight is 1 pound
- True Bypass

negative polarity

2.1mm x 5.5 mm tip/negative plug

Warranty

J. Rockett Audio Designs LLC will repair or replace, at its discretion, defective workmanship or materials on all new J. Rockett Audio Designs products directly or through the selling dealer or an authorized service technician for one year from the date of purchase at no cost to the original purchaser. Repair and replacement parts installed will be warranted for the unexpired portion of the original warranty term.

Before sending a product in for repair, please contact us at chris@rockettpedals.com or jay@rockettpedals.com or call us at 760-419-1345.

This warranty does not cover shipping costs, product appearance or damages caused by accident, abuse, misuse or alteration. A dated sales slip or order number (issued by a tech, dealer or J. Rockett Audio Designs) must accompany a product being returned for warranty service. Repairs without a return authorization number will be refused. Please allow four (4) weeks for warranty service. For more information please contact J. Rockett Audio Designs via our website at www.rockettpedals.com or call us at 760-419-1345. No other warranty is expressed or implied.
