Aries Sun Hood for DJI Mini 2/Mavic Air 2/2S

Remote Controller Sunshade

► FOREWORD

The Aries Sunshade Hood for DJI Mini 2/Mavic Air 2 Remote Controller reduces the distracting glare and reflective interference of sunlight on the screen of smartphones attached to the remote. The sunshade opens and closes in an instant; it deploys in a magnetic moment. Clearer images are the goal. This sunshade does the trick. Enjoy the view.

► FEATURES

- Shades the display of a mobile phone screen attached to a remote.
- Keep tabs on the flight imaging while in total aviation control.
- Long-lasting cushioned, durable Silicone coated Poly Urethane structure.
- Lightweight balanced for zero handling issues.
- Fast setup magnetic closures.
- Accommodates any 4.6 to 7.75 inch Mobile Phone.
- Perfect for remote control drones, aircraft, or car applications.

► SETUP INSTRUCTIONS

1. Unfold the sunshade to form a flat profile.

2. Bring the large center top panel up 90° and hold it in position.

3. Lift either side panel of the shade 90° to meet the center large panel.

4. Fold the small magnetic tab onto the top of the center panel.

5. Lift the other side panel of the shade 90° to meet the center large panel.
6. Fold the small magnetic tab onto the top of the center panel.
7. Flip the remaining pane up to meet the rectangular box and affix the small magnetic tabs onto the sides of the right and left panels.

8. The hood is now formed. Next, align the hole of the sunshade to the mobile phone clamp.

9. The assembled hood can be joined with the optional Aries Mavic Mini 2 Tablet Stand, Mobile Phone, iPad Mount Holder Bracket for DJI Mavic Remotes.

► NOTES

The protective silicone coating of the sunshade is sensitive to abrasion. Keep sharp and rough objects from contacting and marring the hood.

► ONE YEAR ARIES LIMITED WARRANTY

ARIES warrants to the original purchaser that your ARIES product shall be free from defects in material and workmanship for the period of one (1) year from the date of purchase (or delivery as may be required in certain jurisdictions), or thirty (30) days after replacement, whichever comes later.

ARIES's entire liability and your exclusive remedy for any breach of warranty shall be, at ARIES's option, to repair or replace the hardware, provided that the hardware is returned to the point of purchase or such other place as ARIES may direct with a copy of the sales receipt or dated itemized receipt. ARIES may, at its option, replace your product, offer to provide a functionally equivalent product, or repair any product with new, refurbished or used parts as long as such parts are in compliance with the product's technical specifications. Any replacement hardware product will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer, or for any additional period of time that may be applicable in your jurisdiction. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover problems or damage resulting from accident, abuse, misapplication, or any unauthorized repair, modification or disassembly, improper operation or maintenance, normal wear and tear, or usage not in accordance with product instructions or connection to improper voltage supply, use of consumables, such as replacement batteries, not supplied by ARIES, except where such restriction is prohibited by applicable law.

Except where prohibited by applicable law, this warranty is nontransferable and is limited to the original purchaser and the country in which the product was purchased. This warranty gives you specific legal rights, and you may also have other rights, including a longer warranty duration that may vary under local laws. To start a warranty claim contact the ARIES Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to ARIES, along with the RMA number and proof of purchase.
