

3 YEAR EXTENDED WARRANTY PROGRAM

Visit <http://lumix-pro.us> to register your product and qualify for your extended warranty. Extended warranty is valid for US models only, please see a list of approved dealers and model numbers in this document. Note, you must complete a separate form for each individual model. Even if a lens comes bundled with a camera, it MUST be entered separately. Once you have completed your LPS application, you will be sent a membership ID in the mail and can add more gear to your account at any time.

To register, please make sure you are prepared with:

1. **PURCHASE RECEIPT:** A scan or photo of your purchase receipt.

Your receipt must show:

1. **NAME** of the dealer where you purchased

If your purchase was made through Amazon.com or another 3rd party marketplace, the SOLD BY dealer must either be Amazon.com or an AUTHORIZED dealer on following Authorized Dealer List. The SOLD BY dealer name MUST appear on receipt. Unauthorized dealer purchases will be rejected.

2. **DATE** of purchase

3. **MODEL** number purchased

4. **PRICE**

2. **SERIAL # PHOTO:** With your model number and serial number.

Some lens labels do not have the serial number on the front—they may be on a separate section of the inside of the box. Serial number photos for cameras can be taken from the box or camera itself.

As long as your product was purchased NEW, from an authorized US dealer, you are qualified for your 3-Year Extended Warranty. If service is required on your product, the proof of purchase and serial photo will be checked by a LUMIX team member to confirm your warranty status. Acceptance into the LPS program does not confirm registration into the warranty program.
